Barksdale AFB Baseball Fields on the Flight Line

This Memorial Day, wear blue: run to remember invites every American to join us in honoring fallen service members and their families' sacrifice.

Wear blue: run to remember, a national, nonprofit organization committed to building a running community that honors the service and sacrifice of the American military, is once again proud to announce its annual Memorial Day run. Over 20,000 runners and walkers around the world will become a living memorial to America's fallen heroes and a show of support for the families they left behind.

wear blue teams will meet at various locations worldwide to participate in this run including Barksdale Family Housing's 2nd annual run on May 24, 2018 0700 at the baseball fields on the Flight Line.

The wear blue Memorial Day run will use the power of community and the accessibility of running and walking for community members to become a living memorial through their steps to honor generations of America's fallen heroes. This year's run will honor the sacrifices of the American military member families and demonstrate our support for those left behind.

Runners and walkers can join the Memorial Day mission by registering now at www.wearblueruntoremember.org for no cost. Participants will be provided the name of an American Service Member who died in battle. Runners will receive a unique bib to share the name of the service member whom they honor with their steps.

Memorial Day is an American holiday, observed on the last Monday of May, honoring the men and women who died while serving in the U.S. military. Memorial Day 2018 occurs on Monday, May 28. Originally known as Decoration Day, it originated in the years following the Civil War and became an official federal holiday in 1971.
