Each work order is assigned a work order number.

Your first point of contact should be our offices for your housing needs. That is why we have a dedicated Resident Service Specialist for each neighborhood. If you are unsure of who your RSS is please contact our team as we are happy to introduce you.

Should you have an issue that you feel is unresolved you can escalate your concern. All disputes should be brought to the attention of your RSS. Should you feel the response is inadequate your issue should be escalated to your Community Manager and then the Community Director as needed. We are here to serve you.

If you still feel your issue is not resolved we will work in conjunction with the HMO office on the dispute resolution. The HMO will facilitate a discussion with Barksdale Family Housing and you so we can conjointly determine a way forward.
