Our President's Message

I want to welcome you to the first ever President's Message. I'm excited to have this opportunity going forward to fill you in on some of the things happening at Hunt Military Communities nationwide, and to tell you a little bit more about our employees and our dedication to you, our residents. 58% of our employees have some personal military affiliation. They are either retired military, a veteran, spouse, or was a military child. This

special bond with the armed forces allows us to understand first-hand some of the challenges military families face, and helps drive our desire to take care of everyone who is a part of a Hunt Military Community. At Hunt, an important part of our job is to share our endless gratitude with our residents. Staff shows their appreciation for residents in a variety of ways. From weekly get-to-know-your-neighbor events to partnering with military nonprofits, our mission is focused on giving back to our residents who give so much, and to the communities that support them. Hunt is committed to supporting positive change for our residents, employees and our neighboring communities through efforts that are focused on military issues, health, education, housing, and community betterment. We know you have a choice in where you want to live, and we are grateful you trust us to serve you.

Best,

John Ehle **Hunt Military Communities**

This Memorial Day, wear blue: run to remember invites every American to join us in honoring fallen service members and their families' sacrifice.

Wear blue: run to remember, a national, nonprofit organization committed to building a running community that honors the service and sacrifice of the American military, is once again proud to announce its annual Memorial Day run. Over 20,000 runners and walkers around the world will become a living memorial to America's fallen heroes and a show of support for the families they left behind.

Wear blue teams will meet at various locations worldwide to participate in this run including Barksdale Family Housing's 3rd annual run on May 23, 2019 0700 at the baseball fields next to the Flight Line.

The wear blue Memorial Day run will use the power of community and the accessibility of running and walking for community members to become a living memorial through their steps to honor generations of America's fallen heroes. This year's run will honor the sacrifices of the American military member families and demonstrate our support for those left behind.

Runners and walkers can join the Memorial Day mission by registering now at www.wearblueruntoremember.or g for no cost. Participants will be provided the name of an American Service Member who died in battle. Runners will receive a unique bib to share the name of the service member whom they honor with their steps.
