# BARKSDALE INSIGHTS

## NEWS & STORIES

Barksdale Family Housing is wishing our military dads who are not home with their children while serving our country a Happy Father's Day. We appreciate your service!

### Our President's Message

For the third year, Hunt Military Communities teamed up with wear blue: run to remember in organizing individual Memorial Day events in our communities. More than half of HMC locations participated in the worldwide event. wear blue: run to remember, a national, nonprofit organization is committed to building a running community that honors the service and sacrifice of the American military. It's expected that over 20,000 runners and walkers around the world became part of a living memorial to America's fallen heroes and a show of support for the families they left behind.

Wear Blue teams met at various locations worldwide to participate in this run including many HMC locations. The wear blue Memorial Day event uses the power of community and the accessibility of running and walking for community members to become a living memorial through their steps to honor generations of America's fallen heroes. Wear blue: run to remember was started by a Gold Star spouse, who lost her husband in Afghanistan, at the time she had a three year old, a one year old and a three week old.

Participants were provided with the name of an American Service Member who died in battle as well as a unique bib to share the name of the service member whom they honor with their steps. Each run began with a Circle of Remembrance where the name of each military member killed in war is called out.

Thank you to all who ran, walked, and supported this worthwhile event. It is because of your dedication to the cause we are able to honor and recognize our American fallen heroes in such a thoughtful way.

John Ehle  
President  
Hunt Military Communities

### Safety Tip

#### Locating and Operating Water Shut-Off Valves

Knowing **how** and **where** to shut off your toilet or sink water supply is important in times of emergencies.

**Toilets:** Toilets have a single cold-water valve, called a "stop valve." Turn the handle clockwise to shut off the water if your toilet is overflowing.

**Sinks:** Look for the valve under the sink, usually at the back of the cabinet, they are connected to the water supply tubes that serve the faucet. One for hot, one for cold, usually with the cold on the right-hand side. Turn the valve(s) clockwise to turn off the water.

Greg our Maintenance Director is pointing at the valves in the photos to the left.

Trash/Bulk: Every Tuesday

HERITAGE / LIBERTY  
Recycle: 6/7 & 6/21  
Trash/Bulk: Every Monday

  
ONE MISSION. ONE COMMUNITY.™  
HuntMilitaryCommunities.com

Don't forget to put your  
cans away by 6:00pm the  
following day.

Cleaning Tips: The ideal time for trash can cleaning is on trash day, right after trash pickup or before filling up the can.

1. Move the container(s) to some place you don't mind getting wet and somewhat soapy, the lawn would be ideal.
2. Squirt some dishwashing liquid into the bottom of your empty trash container(s) and use a sprayer attached to your garden hose to "pressure wash" the inside of can.
3. Pour out the soapy water & rinse.
4. Turn the container(s) upside down with the lid open to let all the water drain out.
5. Turn the container(s) right side up, with the lid open and let it dry in the sun all day.
6. Spray inside of the container(s) with disinfectant.
