

BARKSDALE INSIGHTS

NEWS & STORIES

THANK YOU to those residents who took the time to complete your CEL survey in 2019. Because of you we won the A List Award in Heritage Heights and the A List Platinum Award in our GOH area.

Maintenance Info...

Do you burn candles in your home? Candles release soot which can collect on your air filters for the HVAC system. You can always exchange your HVAC filter for a new one (if needed more than the quarterly change out that we provide). Just stop by the maintenance shop (self-help) to pick up a filter.

Our #1 goal is to provide our residents with safe and high quality communities in which to live.

Greg ~ Maintenance Director

12 months of Fire Safety

~February~

Every year, candles cause more than 10,000 home fires.

Blow out all candles when you leave the room or go to bed. Avoid the use of candles in the bedroom and other areas where people may fall asleep. Keep candles at least 12 inches away from anything that can burn. Use candle holders that are sturdy, and won't tip over easily. And always, keep out of reach of children and pets.

Our President's Message

I am pleased to announce that for the second year, Hunt Heroes Foundation, the non-profit organization founded by Hunt Military Communities, will be awarding scholarships to help enable the ongoing education of military members and their families. Last year we were able to help nine worthy students and awarded \$20,000. Because of the generous donations we received this year, we are able to increase scholarship awards and recognize 12 recipients and award \$30,000 in scholarship grants in 2020. I encourage you to apply if you or a loved one meet any of the

following criteria:

A high school senior or high school graduate or a current postsecondary undergraduate at an accredited two- or four-year college, university or vocational school or a trade school student; or Planning to enroll in full-time undergraduate study at an accredited two- or four-year college, university, or vocational-technical school for the entire upcoming academic year.

For more information and to fill out an application, go to <https://www.scholarsapply.org/huntheroessscholarship/>

The deadline to submit a nomination is 3:00 p.m. Central Standard Time, February 21, 2020, or until 50 applications are received, whichever comes first.

Don't forget to put your
cans away by 6:00pm the
following day.

Cleaning Tips: The ideal time for trash can cleaning is on trash day, right after trash pickup or before filling up the can.

1. Move the container(s) to some place you don't mind getting wet and somewhat soapy, the lawn would be ideal.
2. Squirt some dishwashing liquid into the bottom of your empty trash container(s) and use a sprayer attached to your garden hose to "pressure wash" the inside of can.
3. Pour out the soapy water & rinse.
4. Turn the container(s) upside down with the lid open to let all the water drain out.
5. Turn the container(s) right side up, with the lid open and let it dry in the sun all day.
6. Spray inside of the container(s) with disinfectant.
