# BARKSDALE INSIGHTS NEWS & STORIES

## 12 months of Fire Safety ~ May

Grilling fire safety tips:

- Only use grills outdoors, away from siding and porch ceilings.
- Clean grills often and remove grease or fat build-up.
- Make sure your gas grill lid is open before lighting.
- Have a 3' safe-zone around grills, keep kids and pets away from this area.
- Dispose of coals after they have cooled in a metal can.
- Never leave grills and patio torches unattended.

## Happy Mother's Day 5/10/20

### Our President's Message

This Mother's Day will most certainly be unlike any before it. As the world, and our conditions, continue to change – one thing remains the same - the value we place on the mothers whose sacrifices, commitment, and unconditional love enables families

across the U.S. to thrive. On behalf of all of us at Hunt Military Communities, I'd like to give special recognition to those mothers who are deployed, on active duty, have children deployed, or are running military family households. Each of you are exceptional. For your families, you are the thread that ties it all together, and for the nation you are both the heart and the backbone. We are all grateful. Please join me in wishing every military mom out there a very special Mother's Day.

Best,

John Ehle  
President  
Hunt Military Communities
