Maintenance Info... Pest Control

Orkin comes to the property weekly for routine pest control requests on Thursdays. Please contact us regarding pest control needs by early Wednesday so that we can try our best to have your home treated that same week.

BACK TO SCHOOL!!

Our President's Message

As we all prepare for back-to-school, we want to help support you and your children in whatever form their educational experience takes this year. In 2019, on average, families spent close to \$700 per student for school supplies. In addition, many schools also asked parents to contribute up to \$100 per family for general use classroom

materials. When combined with other childcare costs, many military families face difficult choices about whether to ensure their children are well supplied for school or whether to purchase other essential items for their family, including clothing and food. This year, the Hunt Heroes Foundation, in partnership with Operation Homefront, will distribute 1,850 backpacks filled with much-needed school supplies to military families at each of our communities. We are proud to be partnering with this well-respected national non-profit who last year provided backpacks to over 43,000 military children across the U.S. Watch for more information in the coming days about this effort and how you can apply to receive school supplies for your child. As we move ahead together and navigate these uncertain times, we remain committed to serving you and your families.

Best,

John Ehle

Amenities Info:

IMPORTANT: Waiver and release of liability forms, and assumption of risk form must be completed and signed by all adults in the household prior to use of any amenity. Please return them to the management office preferably by email to barksdaleleasing@huntcompanies.com or at either Welcome or Community Center drop box. Once received, each member of your household over the age of two (2) will receive a rubber bracelet that must be worn at all times when using any amenity. To minimize contact, we will attempt a drop off of the bracelets to your home whenever possible. This will allow the management team to monitor receipt of the signed waiver. Waivers will also be available at the management office.
