Our President's Message

Hunt Military Communities celebrates the youngest members of our communities. The smallest warriors, the children, often make some of the most significant sacrifices moving from state to state, school to school,

and having parents deployed for long periods, along with the myriad of other challenges military families face. We are proud to acknowledge and support the tremendous strength and resiliency children of our military families display. To recognize military children, we have launched our 2nd annual "Hunt Little Heroes." We ask that your children share stories of what they think it takes to be a hero and how they've been a positive influence in their community. Applicants are asked to submit a 300-word essay, a video no longer than 2 minutes, or a drawing telling their "Hero Story" in their own unique way. For the "younger" heroes, a photo with a short caption may also be submitted. All applicants will receive a complimentary Hunt Little Heroes cape and mask. We will select the top three submissions and give a cash prize to each. Applicants can visit <https://learnmore.scholarsapply.org/huntheroesscholarship/> to see if they qualify, and to submit their story. From all of us here at HMC, thank you for your service and sacrifice.
