## Our President's Message

As we welcome warmer days and longer nights, we also look to a future of doors opening back up and life returning to a new normal. I want to personally thank you for your patience this past year as we all navigated the

safest way to serve our residents, employees, and our partners. It was not easy to manage an unexpected pandemic, but we did so, always keeping our residents' best interests and safety first and foremost. Over the course of the next month, we hope to begin opening up our amenities (as appropriate and approved by local guidelines) and see a full return of staff to our offices. Our teams look forward to seeing you and helping you in any way we can. And as a reminder, one of the best ways to help minimize the spread of COVID-19 is to get vaccinated. If you are having difficulties finding a location where you can receive your vaccination, please check out [vaccinender.org](http://vaccinender.org).
