## FEBRUARY 1, 2026

### COMMUNITY NEWS

February is the perfect time to slow down, enjoy the season, and show a little extra appreciation for the people who make our community feel like home. Whether you're celebrating Valentine's Day, spending cozy evenings indoors, or taking advantage of winter walks, we hope this month brings you comfort and connection. As colder temperatures continue, remember to check your faucets occasionally during freezing weather, change your AC filters, and report any maintenance concerns early so we can assist you.

**It's Resident Appreciation Month.** This month, we are proud to celebrate you and say a heartfelt thank you for being such an important part of our community. Your kindness, involvement, and neighborly spirit are what make this a wonderful place to call home. We truly value the trust you place in us and are grateful for the opportunity to serve you each day. Be sure to join us for our special appreciation events and activities throughout the month. We look forward to celebrating you and all that you bring our community. Thank you for being a part of our community. We're grateful to have you here!

**Cold Weather Maintenance Tips:** Staying proactive ensures our community stays warm and runs smoothly throughout the winter!

- Keep drains clear by avoiding grease and food buildup and report any slow drainage promptly.
- Check doors, windows for gaps to keep indoor temperatures stable and reduce energy costs.

### COMMUNITY LAWN & TRASH SCHEDULE

Please note the new trash pickup days for Heritage Heights and the new monthly bulk trash pickup schedule. All bulk trash must be placed at the curb the night before. You can continue to bring bulk trash to the Maintenance Shop located at 320 Rickenbacker Ave, located on Main Base.

Now that we have entered our rainy season, please ensure that all trash cans are picked up on trash day by the end of the day. During storms, these move and block storm drains, creating issues with flooding. We appreciate your help!
