COMMUNITY NEWS

March brings a fresh start to our community as we welcome the first signs of spring! With warmer days ahead, it's the perfect time to enjoy outdoors, connect with neighbors, and take part in events and activities planned for this month. We extend our continued gratitude to our military family members for your service and sacrifice. It is an honor to serve you. As you begin Spring cleaning projects, please remember that our maintenance team is here to help with any work order needs. Be sure to check the calendar for upcoming family activities and let's make March a month of renewal, connection and community pride!

COMMUNITY LAWN & TRASH SCHEDULE

Please note the new trash pickup days for Heritage Heights and the new monthly bulk trash pickup schedule. All bulk trash must be placed at the curb the night before. You can continue to bring bulk trash to the Maintenance Shop located at 320 Rickenbacker Ave, located on Main Base.

Beginning in March, we will start assessing fines for trash cans left out longer than 24 hours after trash run. Over the course of the next few months we will be adding addresses to trash cans in your neighborhoods to help us easily identify them. During storms, these move and block storm drains creating issues with flooding so it is detrimental that we find a solution to this. We appreciate your cooperation as we modify this policy.

NEIGHBORHOOD	Heritage Heights	Liberty Heights	Main Base
Lawn Service	Monday - Tuesday	Monday - Wednesday	Wednesday - Friday

MAINTENANCE TIPS

As we head into March and the transition of spring, it's a great time to give your home a little seasonal checkup. Take a moment to test CO2 Detectors and Smoke Alarms and replace filters to improve indoor air quality. With spring showers on the way, ensure patios, balconies, and entry ways are clear of debris to help prevent drainage issues. A little preventive care now can help keep your home comfortable and problem free all season long.

RESIDENT REVIEWS

- ★ "Technician worked around my schedule and was polite."
- ★ "Very satisfied with the work completed! Everything was taken care of. The maintenance man was very helpful and called for permission to entry per our instruction. Thanks!"
- ★ "As always extremely satisfied. Technician 100% solved the issue and then some. Replaced older smoke alarms and defective Carbon Monoxide monitor."
- ★ "Fast, professional service! Explain problem and explain that with this adverse weather to contact if anymore problems since lived on base close!"

Our Maintenance Team is out daily making sure that all work orders are addressed professionally and correctly. We appreciate you taking the time to leave them positive reviews. We value your feedback. Please remember to complete your Satisfacts Survey after each work order and scan the QR code to leave us a Google review! We share these in team meetings!
